EMBRACING NATURE

As humans, we have always had a strong relationship with nature but finding time to engage with the natural world is being seen as more and more important.

As the cloak of Autumn surrounds us, we look to the earthy and woody scents that ground us and remind us of our place in the world.

CARVANSONS

A World of Fragrance

THE REGAL WOOD COLLECTION

This collection evokes the sensation of being at one with nature. The fragrances in this collection feature notes of oak, cedarwood, vanilla, cardamom, cashmere and vintage whiskey accords.

This Collection is suitable for:

- Fine Fragrance
- Cologne

CARVANSONS

INTO THE WOODS

This collection comprises of a selection of seven sophisticated masculine fragrances, which seek to capture the essence of the outdoors and being at one with the natural world.

It draws upon our relationship with the natural world and embodies the essence of modern masculinity.
