CHRISTMAS 2023

A  
CHRISTMAS  
CAROL

CARVANSONS

# inspired by

This year our Christmas Fragrance Trends are inspired by the traditional stories, poems and tales related to Christmas.

Christmas stories tap into the feeling of togetherness and community we associate with this time of year.

Sharing, togetherness and appreciation are recurring themes in these festive stories.

## OUR FRAGRANCES

These fragrances are inspired by these heartwarming and uplifting Christmas fables.
