COCKTAIL HOUR COLLECTION

CARVANSONS

A World of Fragrance

Gourmand fragrances have never been more popular.

But these scents have often in the past been perceived as childlike and possibly “less sophisticated” than other fragrance categories.

This year, gourmands are evolving and reinventing themselves as luxurious and decadent.

CARVANSONS

A World of Fragrance

Our Cocktail Hour Fragrance Collection is where taste buds meet sensorial delights, combining the world of mixology with fragrance creations, expertly crafted scents to titillate the senses.

The Cocktail Hour Collection is a selection of six tropical and tantalising fragrances guaranteed to sparkle and fizz with fun.

This Collection is suitable for:

- Body Care
- Personal Care
- Candles
