# CHRISTMAS SPICE AND BERRIES

CARVANSONS

A World of Fragrance

A branch of holly with red berries and a cinnamon stick is positioned diagonally across the frame. The background is a textured, light-colored fabric. A thick, light-colored rope runs vertically through the center of the image. The overall mood is warm and festive.

Ahhh Christmas!

And what could be more Christmassy than  
spice and berries.

The Christmas Spice and Berries fragrance  
collection encapsulates the cosy warmth and  
festive cheer of the holiday season.

These fragrances are joyful and warming,  
providing a touch of magic to your home.
