A message from Luke....

Well, what a year it has been!

We've made it to the end of the year and what a busy year it has been!

Firstly, I'd like to start by thanking each of you for your dedication and hard work. There has been a wide array of challenges to contend with this year, from access to raw materials, to new technologies, processes and staffing changes and that's just to name a few!

I would like to commend every member of the Carvansons team on their perseverance and commitment throughout the last twelve months. Everyone has gone above and beyond my expectations and for that I am forever grateful.

As we grow together there will always be more vital work to do but I know we are making great progress.

Next year we have more exciting plans underway. Your suggestions from the Carvansons Conversations are already starting to guide some of the changes we are planning to implement. Together, we'll continue to grow and achieve great things.

Thank you again for your commitment. I wish you and your families a Merry Christmas and a well-deserved, restful holiday season!

Luke

Carvansons Out and About

Carvansons exhibit at SCS Formulate

This month, members of the commercial team headed to Coventry for SCS Formulate. This annual exhibition is always a fantastic opportunity to meet with new and existing customers, mainly from the UK personal care and cosmetic industry.

The show was a great success with over 90 quality leads gathered over the two days. We also had a fancy new stand which was perfect for displaying new collections, specially selected for SCS.

Light's, Camera, Carvansons!

With the release of Paddington in Peru, Carvansons have been working closely with a customer on what we hear is Paddington's favourite scent... 'Orange Marmalade'. The scent will be used in specially made 'scratch and sniff' posters to be handed out at the Premieres!
