Carvansons Out and About

Market Visit to South America

We didn't see much of Amber towards the end of the year, as she was busy flying the Carvansons flag with not one but two market visits to South America, covering a total of 6 countries in the region, including Dominican Republic, Ecuador, and Chile.

A great deal of work was done internally by several teams including the perfumery lab, ADS, and marketing in support of the market visit, and the trips are already proving to be a great success with some excellent projects raised as a direct result of those meetings.

Introducing the Colleague of the Month Award

This month we are introducing a brand new scheme which recognises exceptional performance among colleagues. The scheme aims to reward those who have gone above and beyond during the month, with the winner being given a certificate and a £50 shopping voucher. You can nominate someone by submitting a KUDOS form located on Breathe. HR will oversee and review the scheme to ensure fairness and relevance. Full details of the scheme will be available on BreatheHR and on the noticeboard.
